

With more than 15 years of experience and over 500 large and medium sized customers, First Climate is among the leading project developers and service providers in green electricity, carbon offsetting and water sustainability worldwide.

Senior Sourcing Manager (f/m) / Senior Manager Beschaffung (m/w)

Green Electricity and Verified Emission Reductions (Full-time)

Position located in Bad Vilbel, Frankfurt/Main (Germany)

The First Climate team is made up of a group of dynamic, energetic and highly creative individuals who source and develop carbon offsets, renewable energy and water projects for their corporate clients. To complement this vibrant team we are looking for a "Senior Sourcing Manager" (f/m) for our green electricity and carbon offset projects sourcing for our corporate clients globally.

Key Responsibilities include

- Sourcing of green energy certificates globally (Guarantees of Origin, RECs, I-RECs etc.)
- Sourcing of carbon offset projects (renewables, energy efficiency, forestry)
- Strategic development of First Climate's green energy and carbon offset sourcing
- Manage and extend First Climate's network of project owners, project developers and other suppliers
- Engage with standard bodies and other relevant stakeholders (Gold Standard, Verified Carbon Standard, RECS Intl.)
- Project assessment and quantification of social and environmental benefits
- Preparation of client proposals

Specific Requirements

The ideal candidate has a relevant study background and a minimum of 5 years working experience in the green electricity and/or carbon offsetting world. He or she is experienced in project development and origination and feels comfortable engaging with international counterparties on a strategic and transactional level. Fluent spoken and written English is required!

Required start date

Immediately or upon agreement.

What we offer

- International work environment
- Flat hierarchies
- Pleasant working environment and a professional team
- Exciting challenges
- Support in finding an apartment in Frankfurt
